Parent Assembly Dates

19th October

21st November

13th February

Thank you's

Special 'thanks' to Simon Key for allowing the school children to cross his land during the Sisland Walk Event.

Thank you to all you amazing parent helpers, without whom we couldn't have gone ahead with this wonderful event. The cake donations were a welcome addition to this day and again we salute you for all you do for us 😊

Whilst we're thanking parents for all the do to assist, another special mention to Brenna Powys-Wilkinson for her unenviable task of taming the vegetable garden and Kelly Sherriff for the equally unenviable task of sweeping the playground of leaves and debris. The next "big sweep" is Monday 15th October if you can to help.
